Asbury University, Wilmore, KY
Licenses: LCSW #253072, TCADC #261035

Skill Profile

- Most recent experience providing therapy with Renew Recovery with a primary emphasis on substance abuse disorders and a secondary emphasis on other mental health disorders. Responsibilities included providing group and individual therapy via telemedicine using programs such as Zoom, Google Meet, and Outlook Teams. Also responsible for providing therapy over the phone when needed.
- Previous work experience providing treatment for substance use disorders as a therapist for The Morton Center. Responsibilities included teaching psychoeducation classes, providing both individual and group therapy, assessments, treatment planning, drug screening, documentation, scheduling, and collaboration with outside agencies.
- Previous work experience working as a clinician for Wellspring's Crisis Stabilization Unit. Responsibilities included completing assessments, psychosocial evaluations, diagnoses, treatment planning, group and individual therapy, substance use screenings and evaluations, discharge planning, and collaboration with other providers to ensure continuity of care. Experience using electronic health records systems. Familiarity with forms including HMIS, ASAM, BDI, BPRS, and TEDS. Population served includes individuals suffering from a severe mental illness as well as clients with co-occurring conditions including PTSD and Substance Use Disorders.
- Previous work experience investigating child abuse and neglect and providing ongoing services as a Child Protective Services worker with the Cabinet for Health and Family Services. Other responsibilities included presenting cases in court, preparing court documents, supervising visitations, reunification planning, locating placements, child transportation, and collaboration with parents, attorneys, and CASA workers.

- Previous work experience as the Program Director for a Therapeutic Rehabilitation Program. Responsibilities included assessments, diagnoses, treatment planning, group and individual therapy, event planning and facilitation, chart audits, interviewing and hiring, and staff management.
- Previous work experience as an IOP therapist providing group therapy to male felons working to overcome substance use disorders. Groups consisted of approximately 20 to 25 members and were typically several hours in duration. Other responsibilities included administration and observation of random drug screening via UDS and collaboration with the Department of Corrections.
- One year of practicum experience as a therapist with the Catholic Charities of Lexington serving a diverse population through individual counseling. A total of 540 field hours completed.
- One year of practicum experience with the LFUCG Division of Police with a total of 414 field hours completed. Units shadowed included the sexual assault and domestic violence unit, the elder abuse unit, the crimes against children unit, and the internet crimes unit.
- Fluent in French.

Related Volunteer Experience

- Received the President's Volunteer Service Award for disaster relief work.
- Served for two months in Mongolia building orphanages.
- Helped to organize and lead several summer youth camps in South Korea.
- Served on the Intercultural Relations Committee at Asbury University.
